11) Read the passage below and answer the following questions.

On this day all the children of a school come together to take part in sports. There are no classes on a Sport Day. The students all put their sport clothes, shorts and T-shirt. The students take part in other track and field event. Athletes compete against each other. They all try to do their best and win the competitions they have entered. All the winners are given prizes. The losers go away to practice hard perhaps they will win something the next time. Parents friends and visitors come along to the school. They shout and cheer to help the athletes run faster, jump higher and win, win, win! There is an important person who is invited to make a speech and give away the prizes at the end of the day. The sports day of the happy school was held recently. Here are the junior girls results. There were three houses. Jamuna house became the first with 365 points. The second house Ganga got 365 points. Third house was Kawari which got 294 points.

1. Do all the schools in India have a sports day?

2. Why is an important relation involved?
